

BHARAT TANNING INDUSTRY

Our Collection

A range of high quality safety shoes

INTRODUCTION

BHARAT TANNING INDUSTRIES

Foundation Was laid by Mr Abdul aziz in 1980, which then was taken over by Mr Parvez Ansari in 1990, who introduced new heights and took the business to global level and is now a 100% exporting company.

Bharat Tanning Industries is one among the leading footwear company, With a focused approach on growing the Industrial and Institutional business. Bharat Tanning industries boasts of state of art manufacturing facilities that has ISO:9001 certification for quality systems & processes certification for environment friendly production.

The Bharat Tanning Industries Sales team has highly trained professionals who partner with customers to understand their needs to deliver the most optimum performance from safety footwear offering on unmatched product range to meet the footwear requirement of Industrial professionals.

Currently we are supplying our products to more than 15+ countries.

Our monthly production capacity is:

50000+ safety uppers/month

40000+ lasted uppers/month

25000+ safety shoes/month

1 million sqft finished leather / month

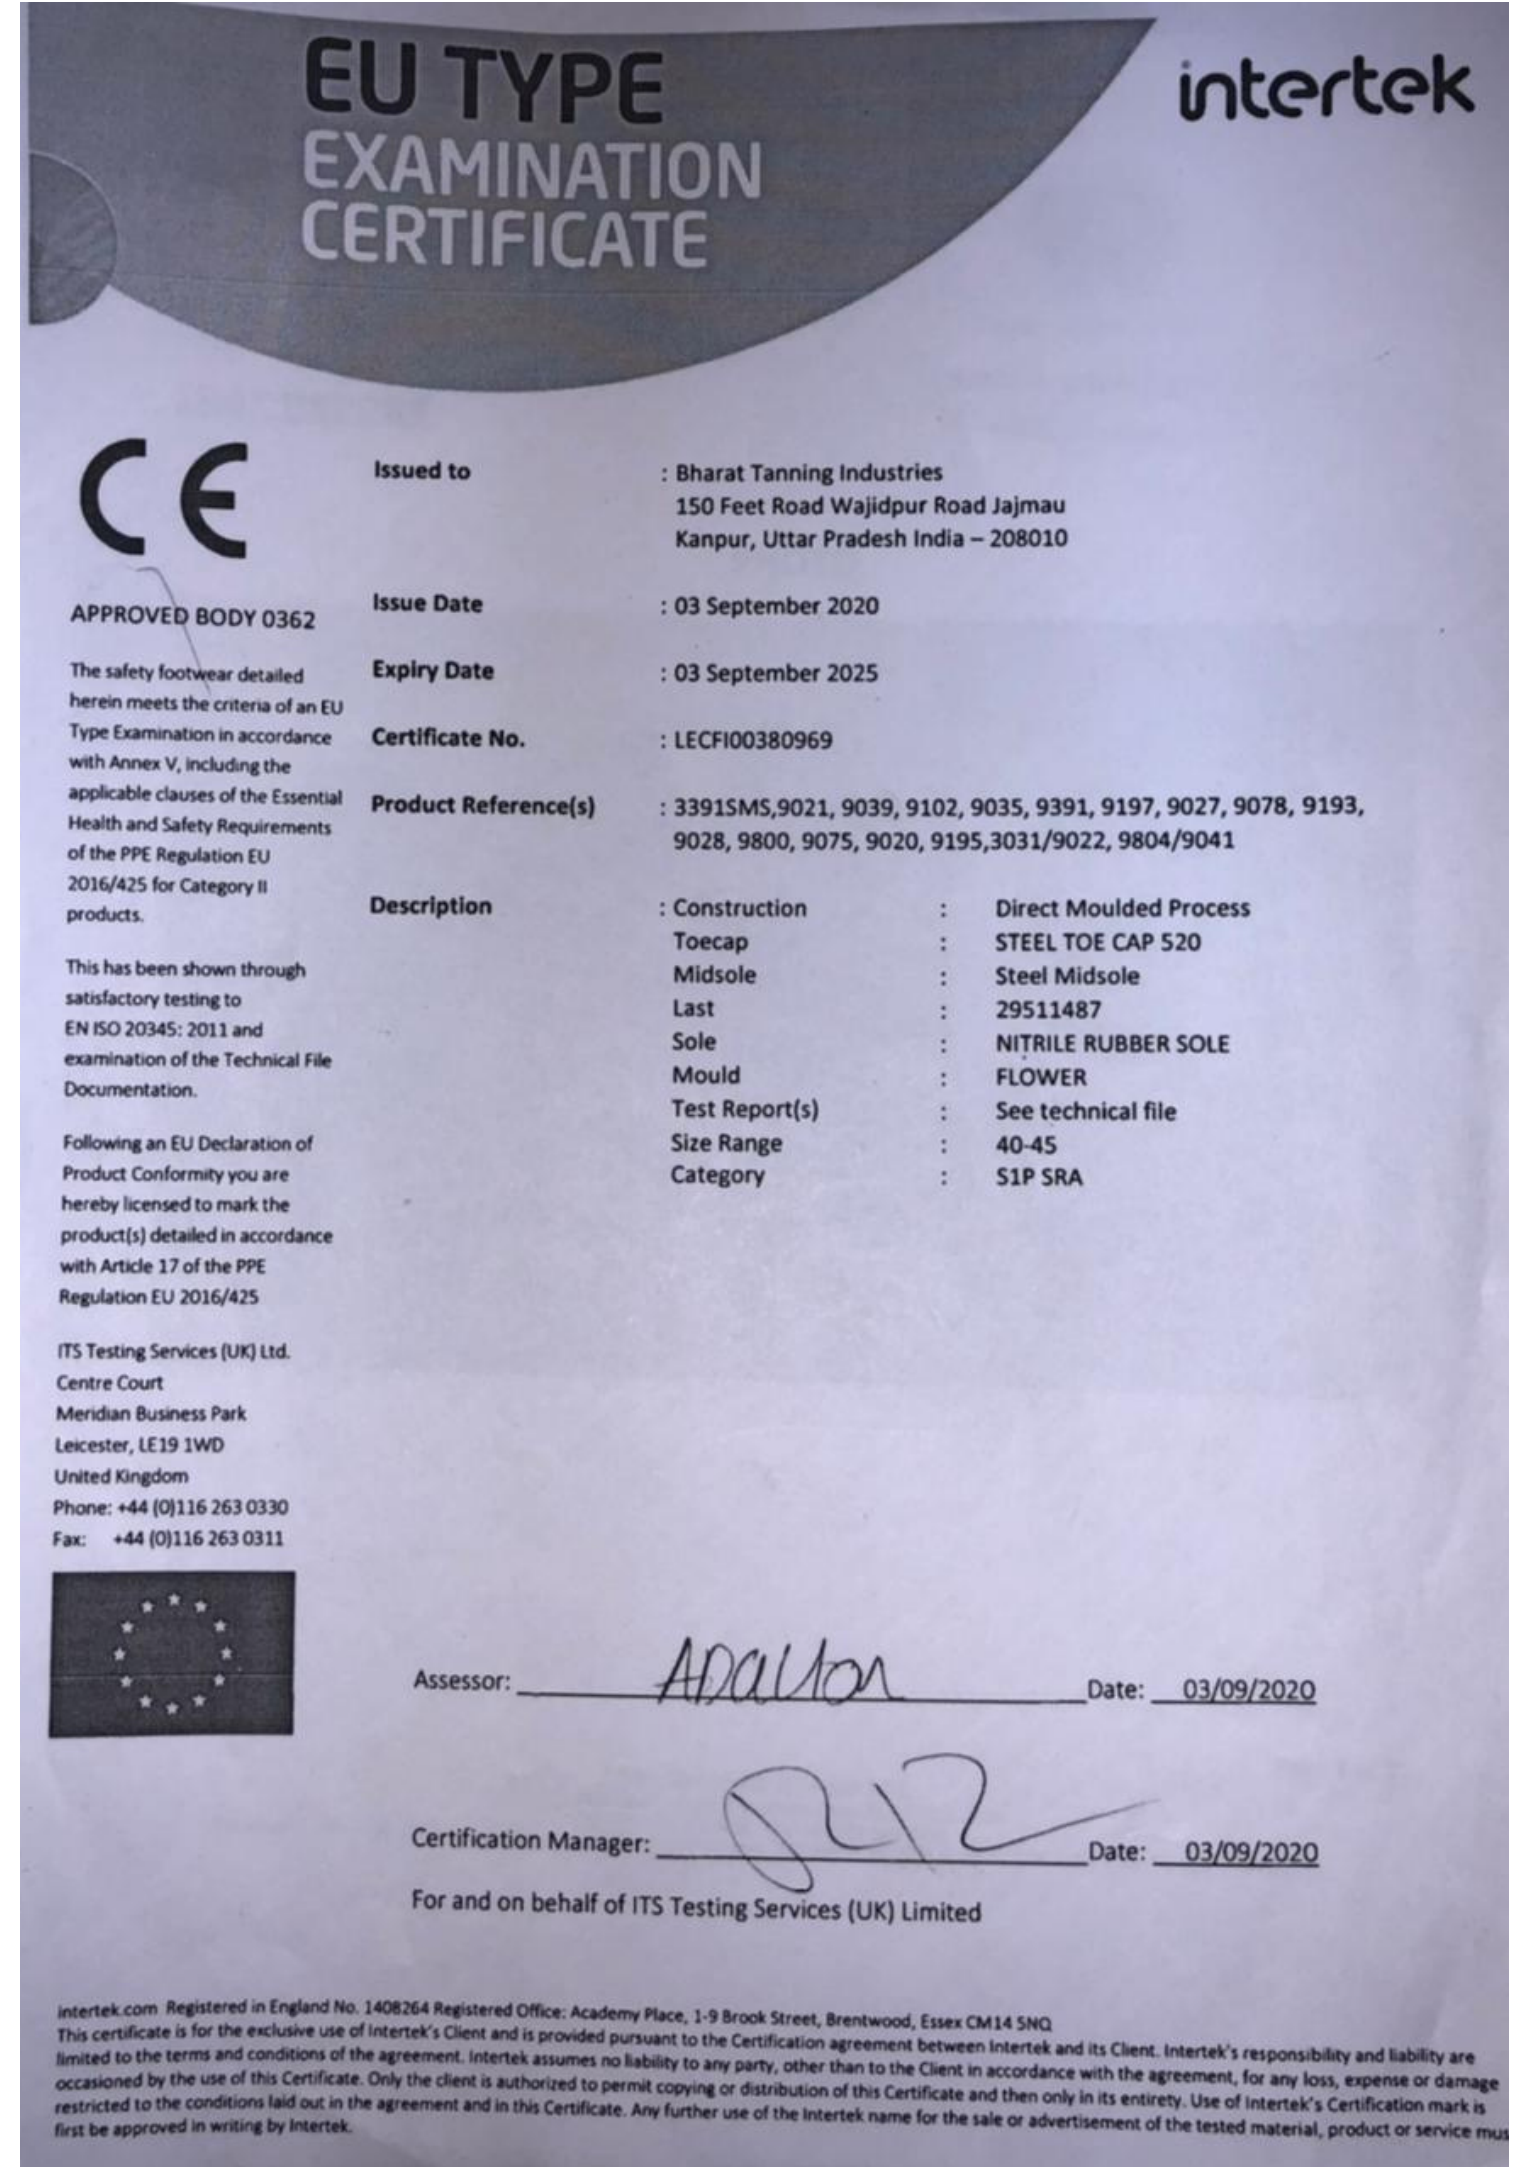

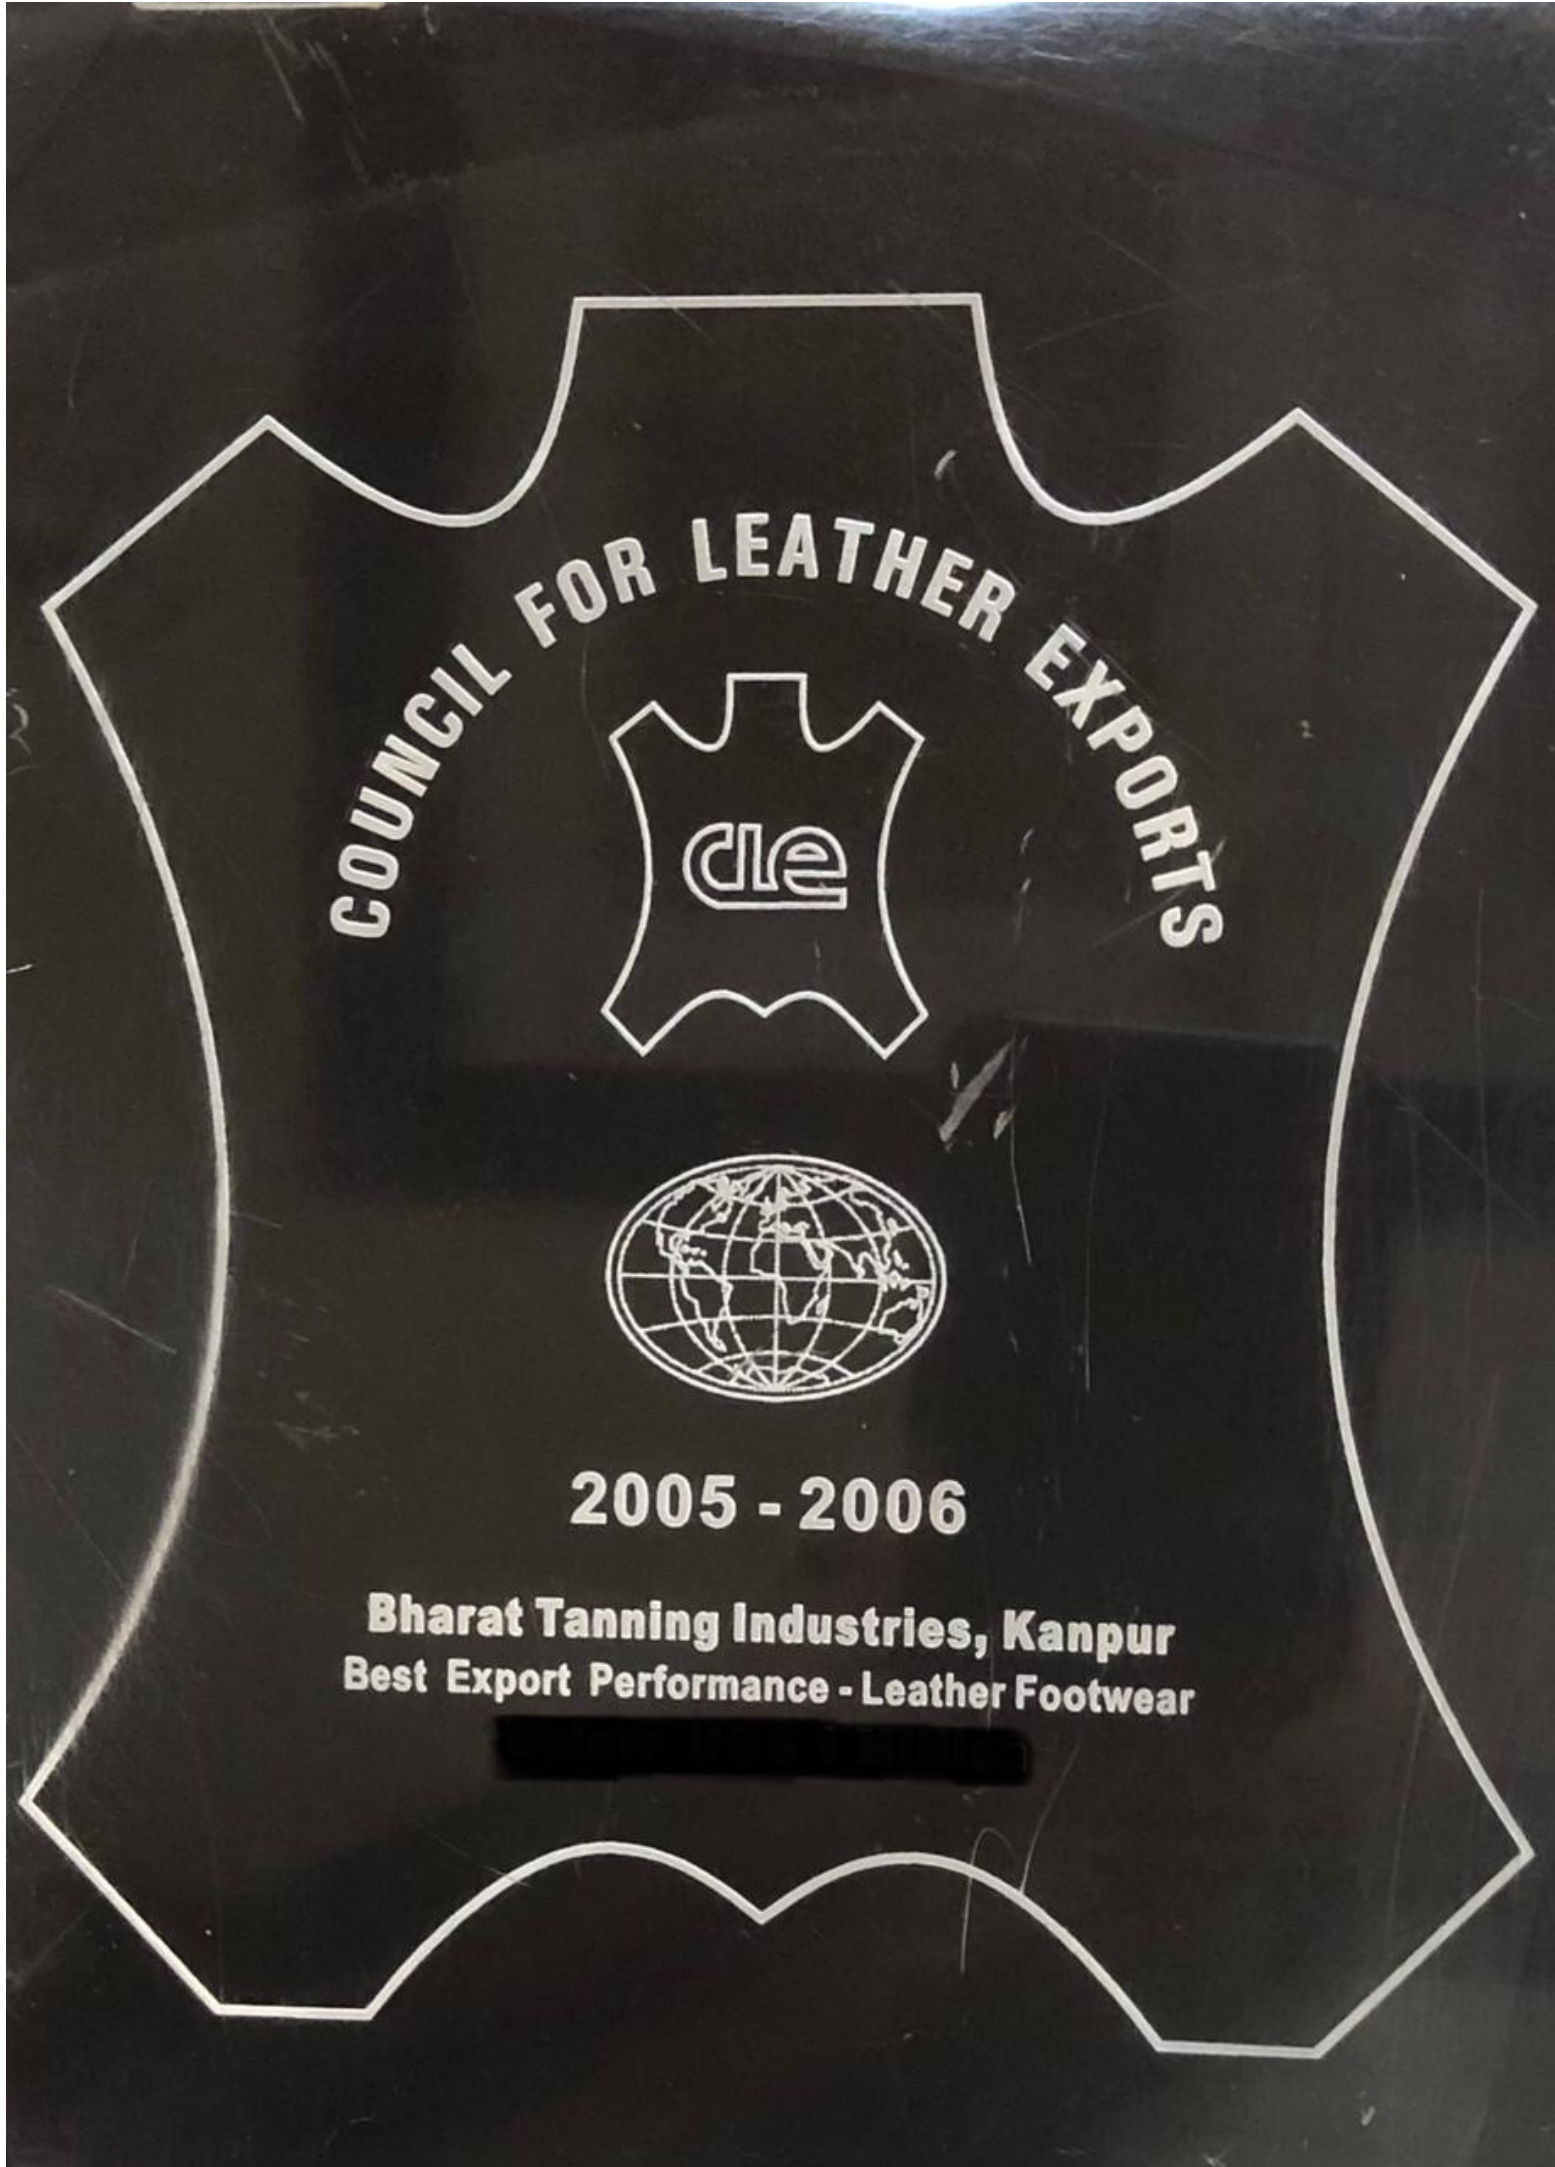

Currently we have 2 tanneries as under:

1- Bharat tanning industries (Tan to Finish) & (Safety Upper Unit)

2- R A Trade Industries (Raw to Tan)

We also have rubber vulcanising nitrile plant as well for nitrile sole.
